A \$500 deposit will reserve a puppy as follows:

- Deposits are non-refundable.
- If the puppy or dog is being transported to the buyer, the entire balance must be paid in full 1 full week before the agreed upon delivery date.
- If the buyer will be picking up, final payment may be made in cash only upon pick-up. No personal checks or CC will be accepted at the time of pick-up.

Puppies will not be shipped, delivered, or picked-up before they are 8 weeks of age. There are no refunds once a puppy or dog has been purchased, full or partial.

This puppy is guaranteed to be in good health, however to validate the guarantee, the buyer must have puppy examined by a licensed veterinarian within 72hrs of receiving the puppy. Buyer must inform seller by email @hiddenwoodsenglishbulldogs@gmail.com when the puppy has been received (if the puppy was not picked-up or delivered in person) and then email again with a copy of the vet check results within 24hrs of the exam. Failure to do so in the time frame stated will result in cancellation of this health guarantee.

Buyers are required to provide and be able to provide documentation (if applicable) of routine preventative care such as but not limited to:

- Annual physical checkup exam
- De-worming, heart worm/flea preventatives & vaccines as per veterinarian's prescribed regimen
- Correct housing, including heat and air conditioning
- Veterinarian care when needed

This puppy is warranted for 1 year against fatal and life altering congenital diseases: includes severe hip dysplasia, kidney, heart, pancreas, spinal, and liver problems. Conditions must be of a severe life threatening nature.

Puppy must show defect within 1 year of age. Seller must be notified of problem within 2 days of diagnosis. Buyer must obtain reports from 2 licensed veterinarians from 2 unassociated veterinarian clinics. These reports must reach the same diagnosis and conclusion. Buyer must obtain all vet records and provide them to the seller within 5 days of the first diagnosis. Buyer must return puppy to seller within 10 days of report of the first diagnosis. Seller will replace affected puppy with a puppy of equal value within 1 year of the affected puppy's return. Affected puppy must be in good condition, other than the specified problem. Buyer is responsible for all shipping cost, including shipping affected puppy to seller as well as shipping replacement puppy back to buyer. No replacement will be given to buyer if affected puppy is euthanized without seller's permission. If puppy should die within the one year warranty, buyer is required to have an autopsy performed to determine cause of death. No replacement will be given if affected puppy dies and buyer does not perform an autopsy or autopsy does not show any congenital defect caused by genetics. If the report confirms it is congenitally genetic, seller will replace the puppy within 1 year of the veterinary report. No full or partial refunds will be given to buyer for the affected puppy. Replacement puppy will be chosen by seller and may not be from the same parents as the original puppy.

Puppy is warranted against parvovirus and distemper for 48hrs upon receiving puppy. Buyer must have an ELISA test performed within 48hrs of claiming either of these viruses.

This contract does NOT cover normal conditions of this breed such as: cherry eye, entropion or ectropion, loose hips or knees, allergies, soft palate issues, trachea issues, stenotic nares, inverted tails, skin allergies, fertility issues, parasitic, fungal, or bacterial infections, respiratory infections, undescended testicles, localized demodex, etc. Coccidiosis or kennel cough is also not covered in this contract, both of which can be common in puppies. Coccidiosis is a parasite that is commonly found in puppies. Kennel cough is self limiting (like the common cold), full recovery is expected with medication or on its own and is not life threatening. A puppy that has died from anesthesia as a result of being put under for surgery etc. is not covered in this contract. Putting a bulldog under requires a skilled and knowledgeable vet and all necessary precautions to be in place. Any physical problem which is or could be caused by accident, injury, neglect, or poor diet is also not covered in this contract.

(Continued on page 2)

Buyers are required to sign a contract prior to puppy being shipped or picked up. Buyers that require puppy to be shipped can request to receive a contract by email or by mail. If contract is sent by mail, 2 signed/dated copies of the contract will be sent. One copy needs to be signed/dated and returned back to seller in a timely manner either by mail or email. Failure to return signed contract to seller prior to puppy's ship out date will result in cancellation of this contract, which means buyer will forfeit any right to compensation from seller, ever.

Prior to leaving the breeder's home, the puppy will have been vet checked, current on vaccinations, and dewormed per veterinarians prescribed care for the puppy's age.

If your puppy comes with limited AKC litter registration application, registration will be will be mailed to buyer directly following verification to seller from a licensed veterinarian that spaying/neuter procedure of said puppy has been performed. Full registration is given at the time of pick-up or sent by mail prior to puppy's ship date.

Should buyer choose to pursue a disputed situation in a court of law, buyer understands that place of venue and jurisdiction is to be Mayes County, Oklahoma. It is further understood buyer will be responsible for all seller's attorney fees.

It is understood, seller is not responsible for any veterinarian medical expenses.

It is understood, this contract only applies to original buyer and is not transferable

It is further understood, there are no other warranties, either expressed or implied to said puppy except as set forth in this agreement. By signing this health contract buyer agrees and accept all terms and conditions implemented in this contract.

Puppy's diet has been Diamond Naturals puppy food. Most puppies undergoing a change in environment, diet, water, etc may have stomach upset with diarrhea for a short period while they adjust. If you wish to ease the symptoms, consult your veterinarian for a safe dosage recommendation for an over the counter product.
